HIRE

Going a bit further or away for the weekend? Pop it in your car boot

Take it to work, store it under your desk

Carry your Brompton bike on public transport, even at peak times

Leave your car on the edge of town and beat the queues!

Cycle to meet friends

Beat the traffic on your way home

Take your Brompton bike home and keep it as long as you like

When you're done, return it to any public dock
